

SUNET

ORCID Authenticate POC in eduID.se

Pål Axelsson

SUNET ORCID Consortia Lead

Swedish Research Council

Use case

When researchers shifting home organizations they do not shift work tools and data

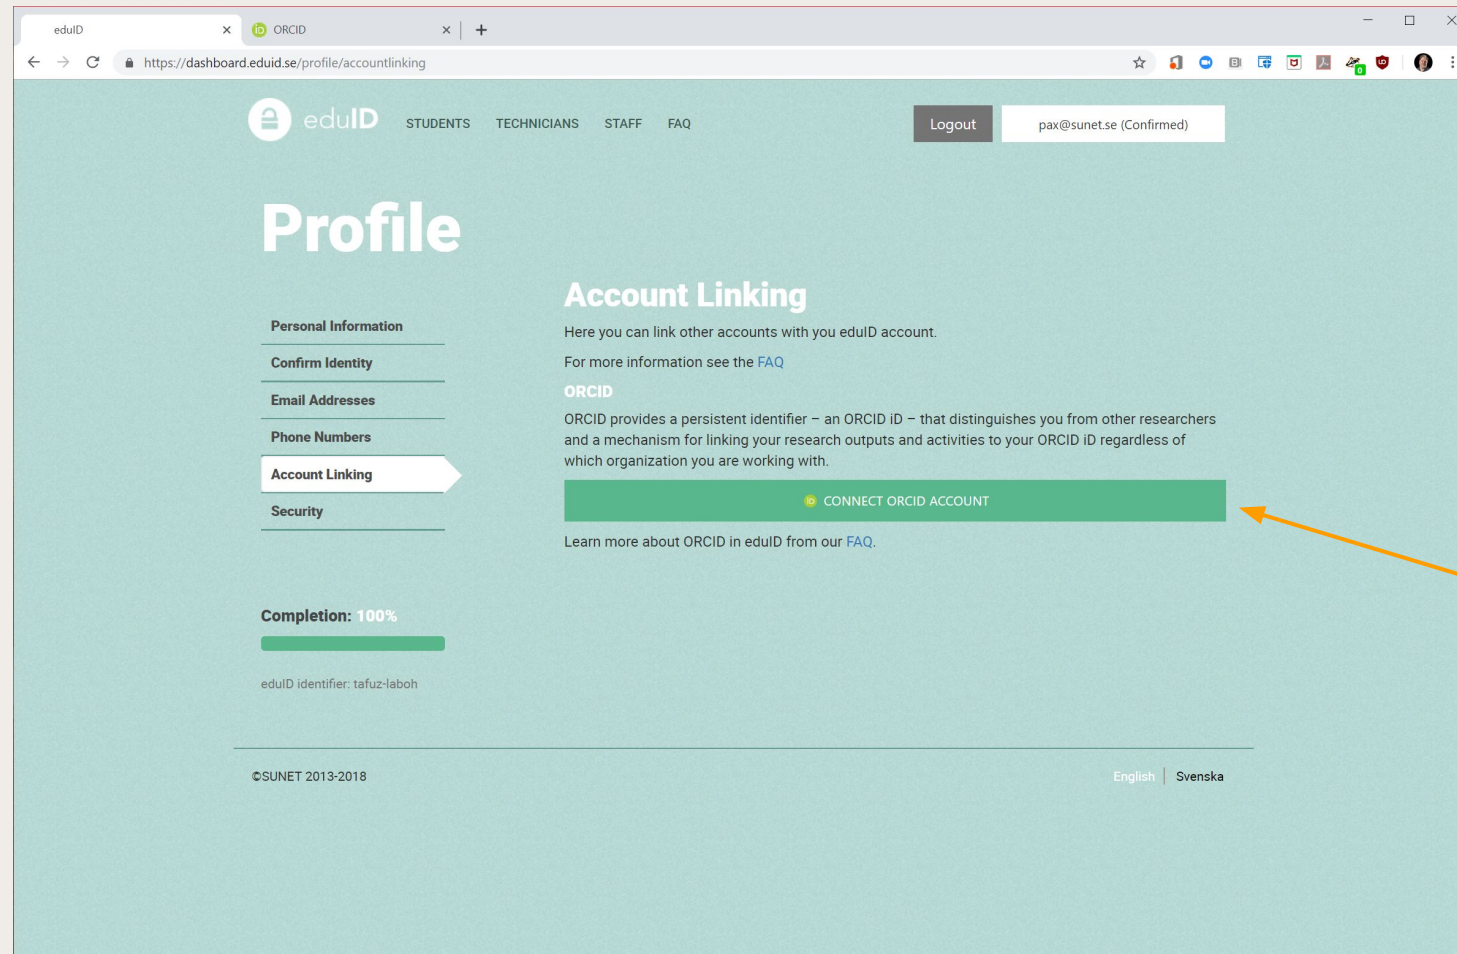

- We need to reconnect their tools and data to their new home organization federated login
- The ORCID identifier helps with reconnecting the researchers own resources in research infrastructures
- Home organizations vouch on who they are and give verified attributes based on their first hand knowledge of the researcher

What is eduID.se?

- A Identity Provider for organizations that can not, or will not, run their own
- A Swedish Identity Provider of Last Resort with high level of proofed identity vetting
- A test bed for new technologies and use cases within the Swedish identity federation for academia, SWAMID

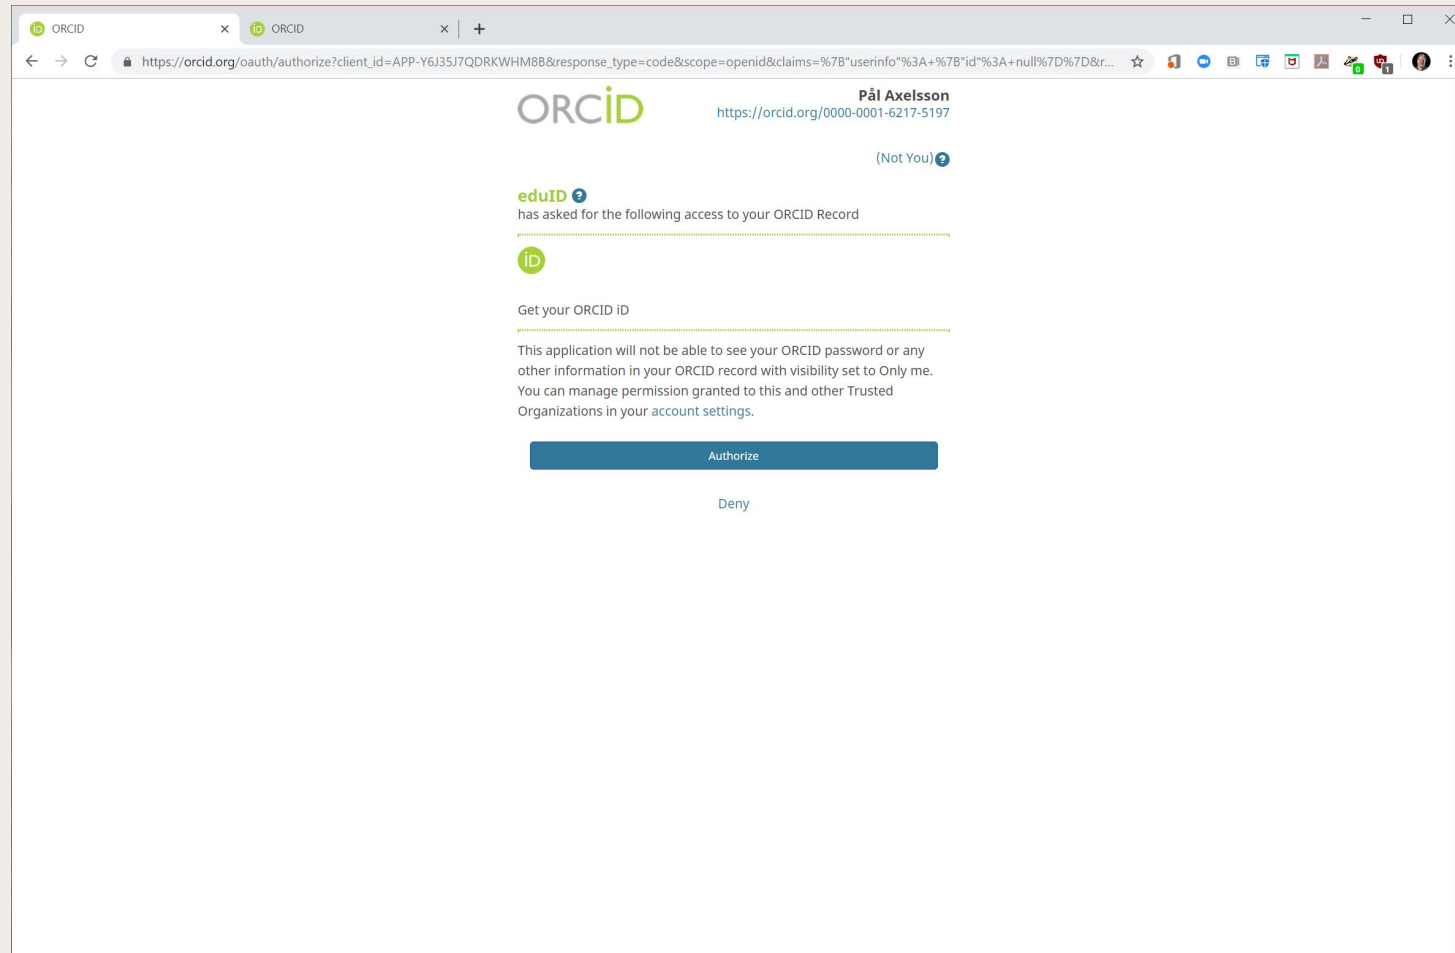

eduID.se is connected to the international academic interfederation eduGAIN

DEMO – ORCID associated with eduID user account

The screenshot shows a web browser window with two tabs: 'eduID' and 'ORCID'. The address bar displays the URL: https://dashboard.edu.se/profile/accountlinking?msg=%3AERROR%3Aorc.unknown_state. The page header includes the eduID logo, navigation links for STUDENTS, TECHNICIANS, STAFF, and FAQ, a Logout button, and a user profile for 'pax@sunet.se (Confirmed)'. The main content area is titled 'Profile' and features a sidebar with links to Personal Information, Confirm Identity, Email Addresses, Phone Numbers, Account Linking (highlighted), and Security. The 'Account Linking' section is titled 'Account Linking' and contains the text: 'Here you can link other accounts with you eduID account. For more information see the [FAQ](#)'. Below this, it states 'ORCID' and explains: 'ORCID provides a persistent identifier – an ORCID iD – that distinguishes you from other researchers and a mechanism for linking your research outputs and activities to your ORCID iD regardless of which organization you are working with.' A table lists the linked ORCID account: 'Pål Axelsson' with the ORCID iD 'https://orcid.org/0000-0001-6217-5197' and a 'REMOVE' button. At the bottom, it shows 'Completion: 100%' with a green progress bar and the 'eduID identifier: tafuz-laboh'. The footer includes '©SUNET 2013-2018' and language options for 'English' and 'Svenska'.

ORCID

ORCID provides a persistent identifier – an ORCID iD – that distinguishes you from other researchers and a mechanism for linking your research outputs and activities to your ORCID iD regardless of which organization you are working with.
