New features for integrators

- DMP

- Added support for Data Management Plans in the UI and for member integrators using API 3.0
- ORCID now supports 44 work types

- CRediT

- Added support for contributor roles as part of work metadata, for member integrators using API 3.0
- We will soon add support for CRediT in the UI

- Funded by

- Allows to add grant or proposal IDs to work metadata, linking works with their funding
- Available in the UI and for member integrators using 3.0

- ROR

- Working to add support for ROR as an ORG ID

Infosite Translation

- Testing machine translation
- **We need your help:**

Visit info.qa.orcid.org, select your language from the drop-down menu, and surf away! Let us know your feedback [here](#).

The screenshot shows the ORCID integration guide website. At the top, there is a red banner with a warning in Japanese: "警告！これはテスト専用のテストサイトです！実際のサイトはinfo.orcid.orgにあります。" (Warning! This is a test site for testing purposes only! The actual site is info.orcid.org). Below the banner, the ORCID logo is visible, followed by the text "研究者と研究をつなぐ" (Connecting researchers and research). A navigation bar includes links for "DID-GLOBAL", "研究者向け" (For researchers), "メンバーシップ制度" (Membership system), "ドキュメンテーション" (Documentation), "リソース" (Resources), and "ニュース" (News). A "Select Language" dropdown menu is present. The main content area is titled "統合ガイド" (Integration Guide) and contains text in Japanese explaining the integration process. On the right side, there is a sidebar with a search bar and a list of links under the heading "ドキュメンテーション" (Documentation), including "特徴" (Features), "ワークフロー" (Workflow), "統合ガイド" (Integration Guide), "統合の開始" (Getting started), "サンドボックステストサーバー" (Sandbox test server), "パブリックAPIクライアントの登録" (Registering public API clients), "メンバーAPIクライアントの登録" (Registering member API clients), "ORCID および永続識別子" (ORCID and persistent identifiers), "組織識別子の操作" (Managing organization identifiers), "にサインイン ORCID 機関の資格を持" (Sign in to ORCID with institutional credentials), and "を使用してサインイン ORCID" (Sign in to ORCID using). At the bottom right, there is a "助け" (Help) button.
